Annual Report

of the

Municipal Officers

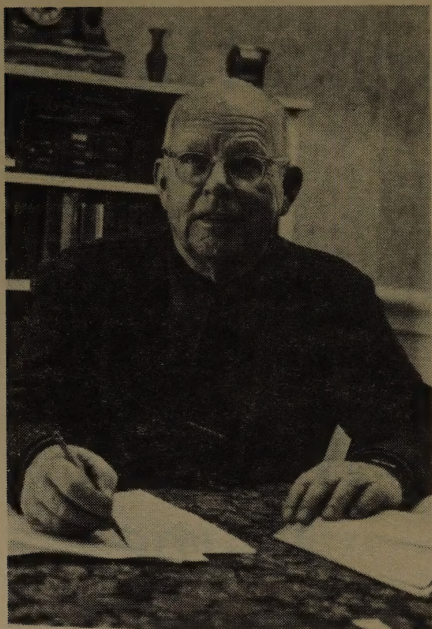

of the Town of

Warren Maine

1979

Dedication

Ellis Spear, a sixth generation direct descendant of original settler Robert Spear, lives in the Georgian colonial home built and occupied by the family for several generations. He is named for both his grandfather, General Ellis Spear, and his father, Ellis Spear, Jr. A graduate of Bowdoin College and Harvard University, he taught in several New England colleges until his retirement in 1972. He is a member of the Warren Congregational Church, is very active in the Warren Historical Society, and has a keen interest in the restoration of the St. George River Canal. His research and talks on the 30 mile Wall, which forms Warren's northeast boundary, have brought him rather widespread recognition lately. He designed and constructed the alewife weathervane for the new Warren firestation. He is a railroad buff, amateur photographer, and has a keen interest in local history. In recognition of his interest in and his service to Warren throughout his life and especially since his retirement we are happy to dedicate this town report to

ELLIS SPEAR

active citizen, good neighbor and loyal friend.

Town Manager's Report

To the Honorable Board of Selectmen and Citizens of the Town of Warren:

Another year has gone by, and it is my pleasure to report the activities of your Municipal Government for the year 1979.

I hope you find this report satisfactory and meeting with your approval if you have any questions please feel free to contact the Town Office.

I hope you realize that inflation effects everything the Town has to do just the same as it effects everyone. All our costs keep going higher with every purchase. We have budgeted this year as close as we can to give you the same service as the past year.

I would like to take this opportunity to thank the Selectmen for their help extended me, they have given many long hours for the interest of the Town. We inspected every Road in Town, with the Selectmen, so they could see the condition of each Road, and the needs.

Our manpower has been limited this past year, after Charles Overlock resigned, we only had one man for several weeks. Our Insurance will not let us just hire anyone to drive trucks on the road, they must have a clean driving record, and also hold a valid class II license.

We did hire another man, and he only worked a few weeks and left, so we were back to one man again, and this is the reason a lot of Road work we had planned to do just didn't get done.

We did make extensive repairs on the Bridge on the Highland Road, which should last for many years, and at a reasonable cost. Contract price for what we did would have been \$10,000.00 and we did it for \$2,718.59 it is all steel welded to the I beams, and hot topping. I borrowed a portable welder from a friend of mine at no cost to the Town, and I did the welding.

We also replaced the old wooden Bridge on Carroll Road extension, the timbers under the Bridge were broken, so we replaced it with two culverts and 49 yards of gravel. I will give you a list of each road, and what was done on it. Most all the gravel Roads got graded

some, most do not have anything left on them to grade.

Rabbit Farm Road got 42 yds. of gravel

Dropped a culvert on Toll Bridge Road, and put on 3 ton of patch

Made a Town parking lot in back of the Antique Shop, to get those cars off the road on the corner, which took 261 yds of fill and 35 yds. of surface.

West end of Powder Mill Road 91 yds. of gravel

Replaced a culvert on Four Rod Road, and did some ditching

399 yds. of screenings, and gravel on Peterboro Road

119 yds. of surface on the intermediate School Road

Installed a culvert on Bunker Hill Road

Tar Patch

| | |
|---------------------|----------|
| Beechwood Street | 33½ ton |
| Sterling Road | 146 ton |
| Patterson Mill Road | 23½ ton |
| Mountain Road | 168½ ton |
| North Pond Road | 37 ton |
| Montgomery Avenue | 3¼ ton |
| High Street | 65 ton |
| Bush Street | 18 ton |
| Watton Mill Road | 57 ton |
| Vaughn's Neck Road | 54 ton |
| Highlands Road | 53 ton |
| Powder Mill Road | 130½ ton |
| Keating Road | 112¼ ton |
| Carroll Road | 67 ton |
| Four Rod Road | 84½ ton |
| Millay Hill Road | 2¾ ton |
| Martin Road | 96 ton |
| Old Augusta Road | 5½ ton |
| Sandy Shores Road | 2 ton |
| Andrews Street | 42 ton |
| River Street | 84 ton |
| Totals | ----- |
| | 1285 ton |

We didn't use the Town Road Improvement money this year, for the reason of time, and one man a good part of the summer. We will have this for the coming summer. T.R.I. is State Money, and we do not get any until we spend it, then they reimburse the Town.

We screened 3,300 yds of winter sand from the Town Pit, and moved to the stock pile.

The State told us last summer that the cost of everything was so high, that there was not enough money in the State Aid Road account to even do anything to Beechwood Street as we had planned.

Right now the cost to Tar one mile of Road is \$10,000.00 for one coat, and this summer it will be more.

We have two good men right now in the Highway Department, and I know they are doing a good job.

Carlton Wiley has done very well maintaining the Town Equipment and has saved the Town a lot of money, and I would like to take this opportunity to thank Irvin Gammon for his assistance, whenever we needed his help, he has been very accommodating.

We had to buy a new body for Number 7 truck, and we purchased a new 10 ft. Fisher plow for Number 2, which never had a plow on it before.

We found a package deal where we got a Dozer, Back hoe, and a Tag along trailer, at a good price. We wanted a Tag along to haul the Loader so it didn't have to be driven over the road and wear the tires out.

Since the Budget meeting, we have cut the Highway budget \$10,000.00 to the bone, so if you expect any services at all, please don't cut it any more.

The Tennis Court has been quite a problem this past year, but it is nearly completed now, and should be ready for use this summer.

Kenneth Stetson has said, he will give his time to paint the front of the Town Office this summer, if we get any money for Town Buildings.

Respectfully submitted,
Perry L. Davis
Town Manager

Tree Warden

To the Citizens of the Town of Warren:

The Tree removal program has continued, and after this year there shouldn't be very many left.

Last year the contract was given to Goodridge Tree Service from Rockport, Maine owned by Danny Harkins, who had the misfortune of being killed in an accident. This was the main reason for not being able to get Trees planted. He got the trees and he guaranteed the trees if he planted them himself. I tried several nurseries, but none would give us a guarantee, and the prices were too high.

This year the contract is with the Lucas Tree, and I am sure they will give us good service. Any trees you may want to have removed that are too far from the road, you will have to pay full price for and make arrangements with Lucas yourself.

Respectfully submitted,
Perry L. Davis
Tree Warden

Assessors' Report

In accordance with M.R.S.A. Title 36, Sec. 706, the Assessors of the Town of Warren hereby give notice to all persons liable to any taxation in said municipality, that all property owners of the Town of Warren, Me., and all administrators, executors, trustees, etc., of all estates taxable in said town of such persons are hereby notified to make and bring or send into the Assessors true and perfect lists of all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April, 1980, and be prepared to make oath to the truth of the same and answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed. Said lists may be mailed if the property owner finds it inconvenient to appear before the board, postmarked not later than April 1, 1980.

When estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Dog Officer's Report

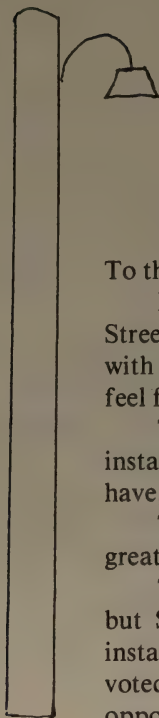

This is my eleventh year as a dog officer and liking animals, it is an enjoyable sort of work. Disposing of them is not very desirable.

Take care of your pet that he or she does not become a nuisance to the neighbors. See that they are wearing their collars and license tags so that they may be identified if they should stray.

Sixty-one dogs were picked up during the past year. Forty-three were disposed of; seventeen returned to their owners; and one was hit by a car on Route One.

Again, I repeat, please put your license tags on your dog.

Respectfully submitted,
Edgar L. Wiley
Dog Officer

The Street Light Report

To the Citizens of the Town of Warren:

It is my pleasure to report the activities of your Street Lights, this is a new report, and I hope it meets with your approval, if you have any questions, please feel free to ask.

The past year there has not been any new lights installed, or any removed. However the ones we do have, were quite active the past year.

They come on at dusk, and go off at dawn which I greatly appreciate - it saves me from the task.

There was talk of removing some lights last year, but Street Lights were voted in Town meeting to be installed in certain locations, and would have to be voted to be removed, however we are giving you the opportunity this year to vote on removal of some that we feel we could do without.

There are people, who would like to keep us in total darkness, it may be that they haven't seen the light, Ex Governor Longley said, "THINK ABOUT IT".

Here is a break down of the Street Lights

35-100 watt mercury lights at \$4.90 each plus fuel cost per month

2-200 watt mercury lights at \$5.88 each plus fuel cost per month

5-250 watt mercury lights at \$8.20 each plus fuel cost per month

"Let there be light"

Fire Chief's Report

To the Honorable Board of Selectmen and Citizens of Warren:

The report of the Fire Chief is hereby respectfully submitted.

In 1979 the Department answered a total of 35 calls.

A breakdown of the calls is as follows:

| | |
|------------------------------|----|
| False Alarms | 3 |
| Chimney | 11 |
| Car | 2 |
| Building | 3 |
| Woods | 1 |
| Grass | 7 |
| Dump | 2 |
| Out of town | 0 |
| Gas spills and car accidents | 6 |

The Department held 20 drills with 15 members present.

To be within the laws of the Maine State Forestry Department, people of the Town need to obtain burning permits.

The members of Tiger Engine Company which are the Warren Volunteer Firemen have voted to ask for a minimum donation of \$15.00 for burning grass and debris in the spring of 1980, which will be donated by the land owner.

I'd like to thank the citizens for the below average number of calls in 1979 that we responded to and I hope they will stay in a low number in the coming years. I'd also like to thank the members of the Department for their help and support.

Respectfully submitted,
EDWARD GRINNELL, JR.
Fire Chief

Civil Emergency Preparedness

Members of the Board of Selectpersons:

It is with pleasure that I submit an activities report on your Civil Emergency Preparedness Program.

World conditions and developments have brought about several changes in our National Program and we are now under the newly created Federal Emergency Management Agency.

We believe that changing world conditions will be reflected with increasing activities within our agency.

Your director has participated in regular monthly training sessions at the County Emergency Operations Center, covering continuing education, planning, staffing, shelter, warning and communications.

He has also been assigned a mobile radio which permits him to communicate with the County EOC, the Sheriff's office and many of the other local directors throughout the County.

All of the town's papers and plans are current and approved.

We would again express our appreciation to our faithful radiological monitors who are active throughout the year and to the County staff for their assistance and encouragement.

On behalf of our staff, I would express our sincere appreciation to all of our municipal officials, their employees and all who have contributed to or supported our program.

Respectfully submitted,
IRVING G. LUFKIN, Dir.
Civil Emergency Preparedness

Annual Ambulance Report

To the Citizens of the Town of Warren:

The Warren Ambulance Service responded to 134 calls in 1979.

The elected officers of the organization are:

Supply Clerk & Day Dispatcher - Beth Mank

Secretary - Gain Baxter

Assistant Director & Training Officer - Wanda Knowlton

Billing Clerk - Eleanor Poland

Treasurer - Jim Seigel

Jim and Eleanor were appointed while Joy Montgomery is on a leave of absence.

The service at present has 22 members. Six new members joined us in 1979. We had one resignation and two on leave of absence. Training Programs will continue to be offered to update the present members and educate prospective new members in all phases of ambulance operation and attending to the sick and injured.

The new stretcher has been purchased and installed. The crew would like to thank all who donated to this cause.

Respectfully submitted,

JOHN E. BAXTER, JR.

Recreation Committee

The Warren Recreation Committee sponsored a successful Summer Recreation Program for six weeks, from June 25th to August 3rd, with about 65 children registered. Mr. Mark Joyce was the director, and Miss Allison Brooks was his assistant in this program, which included arts and crafts, field trips, a variety of sports, including soccer, taught for the first time in this program.

In November, the committee again arranged a bus trip to Portland for senior citizens of Warren, thoroughly enjoyed by the 42 people, according to the many favorable comments heard.

Our plans for use of the tennis courts did not materialize, since the courts were not completed. However, in 1980, we are planning on tennis lessons and programs involving all ages, as soon as the courts are ready to be used. We are looking forward to many hours of enjoyment by a large number of interested players.

The committee has discussed making important changes in the summer recreation program, hoping to make it more lively and interesting, to attract a greater number of participants.

We welcome any suggestions and ideas to help our recreation activities grow, and to increase enjoyment and satisfaction of all concerned. That's what we believe recreation is all about.

Time & Tide Resource Conservation & Development Area

Time & Tide is a people program. It is sponsored and directed by the local people. It is a base for people to come together to plan and - more important - develop and carry out projects focusing on natural resources.

The Program of Action has been supplemented and brought up to date. Supplement #4 gives an overview of the Time & Tide RC&D activities. Copies are available at the Time & Tide Office, Route #1, Waldoboro.

Through the efforts of people working together the following measures were completed this year: Woolwich recreation facility, Wiscasset Middle School water control and recreation, Owls Head tennis court, South Thomaston tennis courts, Boothbay boat ramp, Camden parking lot, Bremen recreation area, Harpswell Cemetery erosion control. There are also many measures that are in progress, such as: Lincolnville recreation, Rockland recreation, Rockport tennis, Boothbay Harbor community field, Bath recreation, Waldoboro public landing, Thomaston recreation and Warren tennis courts.

Some of the activities of the committees included development by the Energy Resource Committee of a firewood consumers guide. They have also developed an energy conservation project for mobile homes. The Forest Resource Committee has been active, holding many workshops and adult education programs at different schools. The Information Committee continues to publish a monthly newsletter sent to 1100 persons in the Time & Tide Area. The Ocean Resource Committee worked on promoting inexpensive fish ladders as well as providing information for fishermen. The Recreation & Tourism Committee held well attended snowmobile coordination meetings. The Soils & Land Use Committee held workshops on wastewater disposal. The spinoff of the Agriculture Resource Committee is the Mid-Coast Agricultural Resource Center (MARC), which helped to re-establish the Prison Farm in Warren.

Anyone who wishes may become part of the Time & Tide RC&D. If you're interested and want to know more, or think we can help, contact your town officials or the Time & Tide office, Route #1, Waldoboro, Maine 04572 or phone 832-5348.

Sincerely,

WALTER S. FOSTER

Park Commission Report

A group of young people were made available to the Town of Warren under the auspices of the C.E.T.A. program. A plan of work and projects was put together by the Warren Park Commission, the Georges River Canal Association and the Warren Day Committee.

Materials and some equipment were provided by the above named groups, and labor, by this group of C.E.T.A. employees.

Most of the work was performed in the Warren Town Park, such as constructing two small bridges, three stairways over a canal berm, constructing two outdoor fireplaces, building and clearing walkways and paths, cutting and piling dead and dangerous trees and partially clearing old historic sites of the Georges River Canal and Warren Powder Mill.

Metal signs have been made that will identify by name many of the unique wild flowers and shrubs that are in the Park area.

Signs and benches were made for the Warren Day Committee, and two no longer used buildings, were dismantled and lumber salvaged for the Highway Department.

Many have visited the Town Park this year. We should be proud to have this historic, recreational facility so available to all our citizens. Spend a little time in this park, take a walk over the bridge, if you are a bird or animal lover find a quiet place and set a spell, if you like wild flowers and shrubs they are here, if you like history, look around you. It's all here. Enjoy it. It's all yours!!

MERRILL PAYSON

On September 25th we met at the park to elect new officers. Sheila Chapman - Chairwoman, Joan Winchenbach - Secretary, Merrill Payson - new member and William Chapman - Associate member.

The money that was appropriated to us was used entirely in the park as described by Merrill and for mowing.

We plan to have the park area burned and a larger area mowed this summer. There will be pits for horseshoe playing and an area for badmitton, etc:

We join Merrill in sincerely hoping more families will enjoy our lovely park this summer.

JOAN M. WINCHENBACH
Secretary

Eastern Mid-Coast Regional Planning Commission

The Eastern Mid-Coast Regional Planning Commission is a voluntary association of towns, cities and counties serving 32 communities in Knox and Waldo Counties. Each member may appoint two voting representatives to the Commission. A nine member Executive Committee, elected from these representatives, meets approximately monthly to direct the activities of the Commission.

The paid staff of the Commission includes a Planning Director, Planner, and Secretary/Administrative Assistant. Commission offices are located at 10 Summer Street, Rockport, and are open from 8:00 a.m. to 4:00 p.m. (Tel. 236-8408). The annual budget for 1978-79 was \$48,941, about 25% from local sources.

During 1979, the Commission completed a two-year contract with the Department of Environmental Protection under the "208" Areawide Water Quality Management Program. This program will study solid waste, septage, lake management and water quality problems in 1980. The EMCRPC has assisted Friendship, Cushing, Thomaston, Warren, Rockport and Vinalhaven under the Coastal Zone Management Local Contract Program. Activities have included a solid waste management study, harbor planning assistance, a natural resources inventory, and comprehensive planning assistance.

The Commission will be preparing a Transit Development Plan for public transportation during 1980, and is cooperating with the Southern Mid Coast RPC to prepare Annual Operations Plans for publicly assisted transportation in Knox and Waldo Counties. The Commission has a 17 member Transportation Committee.

Local assistance requested by the towns has included preparation of ordinances and maps and review of subdivision proposals. Monthly newsletters are sent to area towns and occasional meetings are held on topics of interest to the public.

The Commission cooperates closely with the Eastern Maine Development District on matters affecting economic development and is a sponsor of the Time and Tide Resource Conservation and Development District.

The Executive Committee includes the following:

Chairman, Walter S. Foster, Friendship

Secretary, Jeffrey Evangelos, Warren

Treasurer, R. Paul Weston, Rockport

James Aldus, Searsmont

F. Edward Dodge, Owl's Head

Estella Draper, Cushing

William B. Keswick, Waldo County

Alden R. Taylor, Jr., Northport

Auditor's Report

Board of Selectmen
Town of Warren
Maine 04864

We have examined the financial statements of the various funds of the Town of Warren for the year ended December 31, 1979, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town of Warren does not maintain a plant fund to record its permanent property as further explained in the summary of significant accounting policies. Accordingly, a statement of general fixed assets, as required by generally accepted accounting principles, is not included in the accompanying financial statements.

In our opinion, except for the effect of not recording the value of the Town's property in a fixed asset fund, the financial statements referred to above present fairly the financial position of the Town of Warren at December 31, 1979, and the results of operations and changes in surplus and fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The 1978 balance sheet of the Town of Warren was reported upon by another accounting firm and was included in its report dated March 12, 1979, that stated, except for the effect of not recording the value of the Town's property in a fixed asset fund, the financial position of the Town of Warren at December 31, 1978, was presented fairly and in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules and related information presented on page 11 through page 15 are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements for the year ended December 31, 1979, and, in

our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 1979**

Note 1 - Summary of Significant Accounting Policies

Basis of Accounting

The Town of Warren prepares its financial statements on the accrual basis of accounting.

Permanent Property

Permanent property of the Town consisting primarily of land, town buildings, equipment and vehicles is not recognized as an asset on the Town's financial statements.

Deferred Inventory Tax Reimbursements

The Town follows the policy of placing the current year's inventory tax reimbursements in a deferred account for appropriation in the next succeeding year's budget.

Deferred State Revenue Sharing

The Town follows the policy of deferring the excess or deficiency of actual State Revenue Sharing receipts over estimated to future years.

Appropriated Surplus

The Town follows the policy of lapsing balances remaining in certain departmental accounts to appropriated surplus; the intent of which primarily is to provide for future replacement of equipment used in those departments.

Note 2 - Accounts Receivable
